*Dear Padam,*

1. Air Force Station Kalaikunda is a historic and a very active base of Indian Air Force. It has been entrusted with responsibility of safeguarding national border. A F S Kalaikunda undertakes nonstop operations around the year to achieve this very objective. For successful accomplishment of these operations the importance of mission critical supplies can never be overemphasised.
2. In a recent case for supply of LOX, your firm was entrusted with a task of supplying the item to this base at a very short notice. The commitment of your team and support extended especially by Mr Arijeet Chowdhury (Manager sales), Mr Dipak Dalmia (Manager Distribution) and Mr Partha Mukherjee (Works manager) of Uluberia plant in fulfilling the order, beyond normal working hours is indeed praiseworthy. The timely supply of the item helped us to accomplish a mission of national importance without any glitch. It is indeed heartening to see the professionalism, dedication and positive attitude displayed by your team in completion of task.
3. I wish to thank you and your team for whole hearted support and cooperation extended to Air force station Kalaikunda.

*with warm regards*

*Yours Sincerely*
